
Summer Employment Opportunities in Central Alberta!

Spend your summer in a stimulating and rewarding work environment! Contribute in a meaningful way while learning about pharmacy practice in a hospital setting. Alberta Health Services, Central Zone is looking for:

Summer Student Pharmacists - Receive exposure to clinical pharmacy practice under the direction of skilled pharmacist practitioners. Complete projects that may be administrative or research based. Get involved in direct patient care activities by performing medication histories, patient counseling, participating in patient-centered interdisciplinary rounds, and responding to drug information questions. Positions are recommended for current second or third year pharmacist students.

For the summer of 2014, AHS Central Zone has the following positions potentially available:

- Drumheller Health Centre (Drumheller, AB)
- Red Deer Regional Hospital Centre (Red Deer, AB)
- Wainwright Hospital (Wainwright, AB)

Invest in your future career and explore the role of pharmacy in a dynamic hospital setting!
