

Pharmacy Student looking to put your clinical skills to good use?

Shoppers Drug Mart #2388 in Fort Saskatchewan is looking to hire a 3rd year Pharmacy Student starting in the summer of 2017.

Focus: Clinical services, injections, helping with dispensing

Candidate must provide excellent customer service and be able to handle a busy pharmacy environment. Previous Shoppers Drug Mart experience is an asset. This is a part-time position but more hours may be available depending on script count and the candidate's ability to generate clinical service volume. Shifts will vary and may include weekend and evening shifts.

Fort Saskatchewan is just a 10-minute drive NE of Edmonton

Full store info:
