

## **mint health & drugs: Sterling Pharmacy**

New pharmacy and travel clinic opening in West end of Grande Prairie.

Looking for:

- Pharmacy Student, full-time, from June 1<sup>st</sup>-End of August. Hours would be approximately 9-5, Monday-Friday.
- Pharmacist, part-time (two-three days per week, including every second to third Saturday. Saturday shifts will only be 4-5 hours)

Description:

Sterling Pharmacy is a new pharmacy opening on the West side of Grande Prairie. The above positions will offer both pharmacist and pharmacy student the opportunity to develop strong patient relationships as our pharmacy builds its patient base, as well as the opportunity to further their knowledge in travel medicine. Positions may also include clinical work in collaboration with the physician's office upstairs. Strong communication skills are required. Familiarity with Kroll is an asset.

To apply for either of the above positions, please submit your resumes to Connie Smith at:
