Semesterly Report - Winter 2021

Lena Makortoff

3rd Year Social Representative, Class of 2022

The Winter 2021 semester has been very busy for the third year students. This semester, I:

- Hosted a virtual boxing class so the class could try something new. Approximately 20 students participated
- Worked alongside VP social and other members of the social committee to encourage participation to APSA social events
- Yoga was held in the previous semester and it was requested I hold another event similar to it. We held a virtual yoga night to destress during midterms. Approximately 10 people joined.
- Continued using participation prizes to encourage participation. Students who signed up for each event via a google sheet were entered into a draw at the end of each event. The prize is usually in the form of a \$15.00 gift card (Starbucks, Amazon, Tim Hortons, etc).
- As of March 19, 2021, we will have used a total of \$75.00 from our class budget.
- Upcoming events include music bingo and a year end virtual class party through zoom. Other stress relieving activities will also be held as students request them (ex: yoga, boxing).
