

4th Year PharmD Social Rep (Leah Feltham) Fall 2021 Report

Difficulties encountered in the role: as per changing COVID-19 restrictions, BearsDen approvals and for safety reasons did not try to plan an end-of-semester full class event or Christmas party. Other challenges are planning/hosting events for a student class who is dispersed across various locations in Alberta as well as works different schedules at each placement. The class's preferences were in a majority favour of in-person events which has been my intention and will continue to be the focus for the rest of this year pending public health guidelines.

Ongoing Duties:

- Admin/moderates Facebook class for Class of 2021 (July 2021 - Onwards)
- Collaborates with the VP Social and other members of APSA Council for circulating events and information to the class of 2022 (July 2021 - Onwards)

August 2021:

- Sent out Google forms soliciting preferences from class in regards to how many events per semester, the format of any events and any ideas for specific events

Sept 2021:

- Planned the first class event of the semester, only enough interest from some students in the Edmonton area so the class event was planned to be a short meetup at Hawrelak park on a weekday evening after placement

Oct/Nov 2021:

- Attempted to plan several smaller events such as drinks or wings however interest from class was low due to other obligations and poor timing with placement assignments and moving

Dec 2021:

- Helped coordinate another small event in the Edmonton area after reaching out to class for preferences, availability and interest in attending another event

Responses of Google form for Class of 2022 are below:
