

Hi APSA, here is my fall 2023 seminar report.

September to December

- Attended bi-weekly APSA general counsel meetings
- Hosted and attended required office hours virtually
- Meet with my committee to go over roles and ideas for events
- Worked with VP Fundraising (Asmaa) to initiate discussions with Loblaws and Rexall
- Spook with APSA president (Prerna) regarding events I was planning
- Worked with Shoppers Drug Mart (Kristina Ondrias) to plan and deliver a lunch and learn event regarding their walk-in clinics
- Contacted and discussed with Justin Peters regarding the planning of the University Health Center lunch and learn event
- Contacted and meet virtually with Tracy and Theresa from Rexall regarding hosting a series of class specific events for students. Also communicated this to the 4th year class.
- Contact and meet virtually with Zach from Graduate planning regarding a lunch and learn event with the intent of showcasing career perspectives for pharmacy students.
- Contacted with Terry from Capital Health regarding a volunteer opportunity and posted said opportunity to the APSA members corner Facebook page.
- Was contacted by a student about starting an industry club and will be following up with this student over the Christmas break.
- Contacted Karine Whittingham from Loblaws pharmacy regarding setting up a lunch and learn event and provided her information about setting up interviews with 4th year pharmacy students.

Sincerely,
