

## Annual Report for Inter-professional Director (2019-2020)

### **September:**

- Hosted Interprofessional lunch and learn. The speaker was a chiropractor from Garneau Chiropractic who talked about his profession and coverages for students.
- Helped to promote Lock and Key event hosted by HSSA.
- Attended APSA and HSSA meetings.

### **October, November, December:**

- Became a member of Interprofessional Education Student Collaborative Group (IPESCG) and attended meetings. In the meetings, I provided pharmacy student perspective for various projects including Interprofessional Education (IPE) curriculum and delivery and planning for the *Bridge into Practice* experience.
- Attended biweekly APSA and HSSA meetings.
- Collaborated with HSSA for their ESCAPE night.

### **December:**

- Signed up as a volunteer from Pharmacy for TLEF research.
- Discussed upcoming event “Pharm/Medicine Inhaler Teaching” with MSA representatives.

### **Winter 2020 (January-April):**

- Attended APSA meeting, HSSA meeting, IPESCG meetings and PAM committee meetings.
- Planned for Pharmacy/Medicine inhaler (March 23<sup>rd</sup>) event with MSA representatives. Collaboratively, we applied for funding, booked rooms and promoted the event. [Event cancelled due to COVID-19]
- Organized PharmD Clinic (March 13<sup>th</sup>) with CAPSI reps. Created information sheet and poster for the clinic. Also, created communication board for APSA members who volunteered to help with this clinic. [Event cancelled due to COVID-19]
- Helped with several PAM events such as PAM kickoff and lunch and learns.
- Acted as a liaison between HSSA and APSA. Regularly informed APSA members about inter-professional opportunities from other health faculties and HSSA events. During COVID closure, shared volunteering opportunities with APSA members on behalf of HSSA.
- Started to plan for Foosball Tournament in early April. However, had to stop planning due to school closure.
