

March 18th, 2022

Hi APSA members, below you will find a summary of the tasks that I, along with my Community Education Committee, have completed this semester.

January

- Wrote and submitted a PQ article on Community Education
- Created materials for PHARM 101 MiniTopics (info sheet, poster, approval form, sign up forms)
- Created materials for Pocket Card Contest (rubric, instructions, sign-up spreadsheet)
- Organized presenters for PHARM 101 MiniTopics

February

- Got BearsDen approval for PHARM 101 MiniTopics
- Confirmed RxA funding/sponsorship of prizes for Pocket Card Contest via VP Fundraising (John Choi)
- Recruited faculty and RxA judges for the Pocket Card contest
- Created materials for the PAM Social Media Challenge (IG/FB post, google doc)

March

- Created a video on Asthma and Inhalers for Science FUNdamentals's FUNweek
- Opened the "Life of a PharmD Student" Social Media Challenge
- Posted the RxA sponsored Pocket Card Contest
- Hosted the first PHARM 101 MiniTopics - An Overview of HIV PrEP in Alberta
- Hosted the second PHARM 101 MiniTopics - UTIs: A Beginner's Guide
- Organizing a virtual Women's Health presentation for young girls at the Elizabeth Fry Society
- Answered questions for individuals interested in running for Community Education Director
- Preparing transition documents, organizing the drive, and emails for the next director
- Will be awarding Mint Cup points for completed presentations and gift cards for draw winners
- Will be awarding prize bags to the winners of our social media "Life of a PharmD Student Challenge"
- Will be awarding prizes to Pocket Card Contest winners

Throughout the Semester

- Attended bi-weekly general council meetings and monthly office hours
- Coordination of Community Education presentations (daily email correspondence between volunteers and teachers, scheduling, presentation matching, presentation monitoring to ensure teachers and volunteers show up)
- Responded to emails and inquiries about Community Education

Thank you all for entrusting me in this role, I have learned lots from this wonderful experience and hope that I've made Community Education more memorable for some of you this school year!

Regards,

Ivy Nhan
