

Drayton Valley Value Drug Mart

At Drayton Valley Value Drug Mart we are looking for a full time Registered Pharmacist to join our team. As our pharmacy offers many services to our varied patients, we are looking for a motivated individual that is eager to learn or expand their practice. We are a preceptor pharmacy so welcome new grads!

The position will require the individual to have strong team skills, but also the ability to work well independently.

Excellent communication skills are a must as superior patient care is our goal.

The candidate must also be great at multi tasking in a busy setting.

As a truly independent pharmacy, we are able to customize our services to our patients needs. The individual would be excited to be able to use this to their advantage.

Job Duties

Perform regular dispensing duties, counselling on prescription and non-prescription products.

Provide pharmacy services such as medication reviews, administering injections, compounding and developing care plans.

If authorized, ordering lab work and prescribing additional medications.

Manage inventory and support staff in the pharmacy.

Adhere to applicable laws and regulations, company policies and procedures while maintaining high professional standards.

Required Qualifications

Bachelor of Pharmacy

Registered in good standing with the Alberta College of Pharmacists

Benefits

Potential to earn percentage of cognitive services

Flexible hours

Benefits

Business Hours

Monday-Friday 9am-7pm

Saturday 9am-6pm

Sunday 11am-5pm

Daytime, evening and weekend shifts are shared with flexible days off.

Drayton Valley is a young progressive community with much to offer. From sports to the arts, we have something for everyone. We are a town of 7000 with a large surrounding area, and only a short 90 minute drive to Edmonton. Several school options are available for families and we have strong sports associations. Located between the Pembina and North Saskatchewan River valleys, many recreational opportunities lie on our doorstep!
