4. Blacklist rename and Awards Certificates [Ethan] (10 mins)
 - a. Description: Dr. Cor has pointed out that the term “Blacklist” may be offensive to some people. We can take this opportunity to change it to something with more pop like (The Phantom Zone, APSA Jail, The No-Fly Zone, The Naughty List, The Hall of Regret or The Problem Vault). Also need thoughts on alternative APSA Award ■ Certificate Designs
 - b. Notes: Funny names for list takes away from the point of the list. No one has come forward within the program about issues with the name of the list. Other student groups have been using “blacklist” in their communications. Decision to leave the name as is unless someone comes forward with an issue regarding the name.
5. Academic Success Week [Becca] (5 min)
 - a. Description: Residence life has reached out to us asking if a student from the PharmD program would like to sit on a Professional Program Panel February 10th 5-6 PM presenting their experiences in the program and advice, followed by a question period. As well they are hosting an Academic Club Fair February 13th from 2-5 PM where they are requesting we host a booth to discuss APSA and the Pharmacy program.
 - b. Notes: No one is available for the Academic Club Fair on February 13th due to timing and reading week. Decided to not extend an invitation to the general council as the club fair is typically for undergraduate clubs and attending would be just to promote the PharmD program itself - still a priority but based on timing not realistic this year. Ethan and Elise to attend the Professional Program Panel on behalf of pharmacy students.
