**Job Summary:**

Healthcheck Pharmacy is seeking a passionate and dedicated part-time Pharmacist to join our team! As an independent, family-owned pharmacy, we take pride in offering patient-centered care to patients of Leduc and surrounding communities. If you are looking to cultivate lasting relationships with patients and genuinely impact lives, come join the Healthcheck family!

**Responsibilities:**

- Evaluate prescriptions to ensure they are appropriate, safe and effective for patients
- Accurately and efficiently dispense prescription medications
- Provide medication counselling to patients regarding proper usage and potential side effects
- Collaborate with physicians and healthcare professionals to recommend changes for improved patient outcomes
- Monitor patient health and progress to ensure positive results
- Maintain accurate patient records and medication profiles
- Develop comprehensive care plans, conduct follow-ups, and document them accordingly
- Ensure compliance with all relevant laws, regulations, and standards

**Requirements:**

- Have a valid Pharmacist license for practice in Alberta
- Excellent communication and interpersonal skills to facilitate effective patient care
- Ability to thrive in a team environment and dedication to delivering outstanding pharmacy services

**Qualifications and Skills:**

- Prior experience in community pharmacy is preferred, but recent grads are also encouraged to apply
- Demonstrates proactive initiative and exercises independent judgment effectively
- Additional Prescribing Authority preferred (or willingness to obtain)
- Valid injection certification required (or willingness to obtain)
- Experience with Kroll system preferred

At Healthcheck Pharmacy, we offer flexible scheduling, competitive compensation, and supportive management to ensure you maintain a healthy work-life balance while enjoying a rewarding career!
