## Interprofessional Director Fall 2025 Semesterly Report

### Regular Tasks:

- Attending biweekly, or as scheduled, APSA general council meetings
- Communicating with and attend bi-semesterly Health Science Students' Association (HSSA) meetings
- Communicating HSSA announcements (including promoting events) to APSA Discord and by email to APSA class reps

### May:

- Transition: Isabella Baan, former IP director, reached out to the HSSA on my behalf to introduce me as the pharmacy representative, CCing me

### August:

- Formally introduced myself to the HSSA over email

### September:

- First meeting with HSSA

### October:

- Volunteered for [The Launch](#); provided pharmacy representation among organization

### November:

- Helped finalize Placement Experience Survey and provide preliminary responses

### December:

- Attended MediViews Conference — networked with industry representatives from CeraVe and discussed possibility of Lunch & Learn with PharmD program

### Looking Forward — Winter 2026:

- Proposed HSSA web page on the CHS ([uab.ca/chs](http://uab.ca/chs)) website, much like APSA (<https://www.ualberta.ca/en/pharmacy/programs/current-undergrad-students/apsa.html>) on the pharmacy ([uab.ca/pharmacy](http://uab.ca/pharmacy)) website
  - May link to all of our constituent student associations pages/websites, including APSA

- Arrangements for APSA-MSA volleyball — compared to last year hoping to have it in Winter semester; will connect with MSA, hopefully hold in February 2026 at the latest, possibly just after Reading Week (TBD)
- Interprofessional Lunch and Learns — will connect with others on council to coordinate/collaborate
  - CeraVe
  - Alberta Diabetes Institute
  - AbSPORU
- TGIF/Other Events
