

*Interprofessional Director - Fall 2020 Report*

---

Ongoing meetings:

- APSA general council meetings - biweekly
- Health Science Student Association (HSSA) general council meetings - monthly
- PAM committee - sporadic but will increase in frequency as we approach PAM
- Interprofessional Education Student Collaborative Group meeting - monthly to change
- Pride Week + Institute for Sexual Minority Studies & Services Meetings - biweekly
- Office hours - biweekly

Ongoing Projects:

- **Feb 21, 2021** - Collaboration with Team-Up Science event for high school students.
- **Second Week of March** - Inclusive sexual health clinic as part of PAM in coordination with the Pride Week working group
- **Second Week of March** - Working on having a lunch and learn or other inward facing learning opportunity for students as part of PAM regarding inclusive language and engaging with gender non-conforming and/or transpatients.
- **March** - PAM committee
- **Undefined time period** - HSSA in multiple working groups, potential collaboration with IP launch as IPESCG undergoes changes.

Completed Projects:

- **October** - Road to PharmD program in collaboration with Interdisciplinary Science Students' Society.
