6. Preceptor Engagement Events [Becca/Nathaniel] (10 mins)
 - a. Description: Exed team reached out regarding collaboration with APSA to engage preceptors with new or through current events. See proposal [here](#).
 - b. Notes: Proposal presented by two fourth year students on their leadership rotation with the ExEd team. Goal of engagement is for preceptor retention along with increasing preceptor-student interactions and highlighting future rotation opportunities. Based on feedback from preceptors their preferred method of engagement are thank you notes, local events, or opportunities for continued learning. This proposal asks APSA to help host events for preceptors and students with the ExEd team assisting in preceptor communication. Some feasible suggestions include: engagement via the Welcome Back BBQ (historically hosted by SDM - invite SDM preceptors),

Virtual Jeopardy - pairing of preceptors and students, topic suggestions from students, opportunity for learning, teams by zones - prizes to be provided by APSA, Saving Second Base (team or watching), RxFactor (invites, nominated preceptor attendance), PharmDent, Blue and Gold (present Preceptor Award). Other options include - Thank you video on APSA social media, PQ+2 article on preceptors - shared with preceptors when finalized. Plan to discuss with General Council and then Rebecca and Nathaniel will meet with the ExEd team to finalize plan.
