

Fall 2022 Semester Report

Veronica Saunders
LGBTQ+PhSC Representative

Duties:

- Attend bi-weekly council meetings
- Host office hours every 3 weeks (Wednesday's at noon)
- Ensure that the voices of the LGBTQ+PhSC members are heard by communicating any needs or concerns to APSA

Although there were few events from the LGBTQ+PhSC this semester, we are working towards having more events in the Winter 2023 semester. These events are important to provide a safe space for members of the LGBTQ+ community to express themselves and meet other individuals with similar lived experiences. As the LGBTQ+PhSC Representative, I will continue to advocate for the LGBTQ+ community and provide support to any students who may need it.

Sincerely,

Veronica Saunders
