

FULL TIME Pharmacist required:

Life Med Pharmacy is an interactive pharmacy highly focused on patient care. We are located in Vulcan Alberta, a community of 2000 residents with a trading area of 6500 people

The successful candidate will work along side one other pharmacist and 3 technicians in a very busy dispensary. Excellent communication skills, injection certification, and aspirations of additional prescribing authority are required. Knowledge of Kroll dispensary software is an asset.

We are a full-service pharmacy with 8 Alberta Aids to Daily Living contracts including ostomy care, compression garments, and wound care. We offer extensive blister packaging/unit dosing and coordinate a medication administration program at a senior's lodge. We have specialty compounding services which includes capsule making. We offer consultations for travel and administration of vaccines.

The pharmacy is a rewarding work environment where you are directly involved a in patient care. We have a wonderful patient base who appreciate our services and have voted us best in customer service and business of the year multiple years running.

Work hours: Monday - Saturday 9-6 alternating with Monday - Thursday 9-6

Details of compensation package, signing bonus and annual bonus to be discussed at interview.

Interested applicants forward resumes to Corey Ramer: coreyramer@gmail.com
