Medicine Shoppe #380
4a 420 King St

We are looking to add a pharmacy student to join our team for the school year. We are happy to have any year of student.

The pharmacy hours are M-F 9-6 and Sat 10-2. We are looking for a student that wants to work a regular Saturday 10-2 shift. The pharmacy can accommodate other hours based on the students' schedule or school breaks if more hours are wanted, and the pharmacy will have full time hours available for summer employment.
