

Are you looking for a change? Work at a pharmacy that values you.

We are looking for an enthusiastic, hardworking, dedicated, Full-Time Pharmacist to work in our Medicine Shoppe Pharmacy locations (Crowfoot, Elbow and Sunridge) in Calgary, Alberta.

We offer a variety of services to our clients, including diabetes education, medication management, minor ailments, travel consultations, women's health, and many others.

As an independent pharmacist-owned pharmacy with a focus on supporting and mentoring our pharmacists. As such we allow practice flexibility and focus on job satisfaction. We provide the opportunity for you to develop your skills and a specialty area of practice or clinic if you wish to pursue this. Our pharmacist team has many years of practice experience to help support and mentor new pharmacists. The owner, Randy Howden, has experience working as a board member with RxA and in leadership within the profession.

We work with many local practitioners including great relationships with physicians and other healthcare teams. We also have a full level A, B, C non-sterile compounding facility on-site.

We have a fun work environment, where teamwork, personal growth & development, and thinking outside the box are encouraged. We have strong support from Registered Pharmacy Technicians and Pharmacy Assistants to allow Pharmacists to work at full scope.

You expect the following: 32-40 hours/week (depending on applicant preference), no evenings, Sundays or holidays, competitive wages, a competitive benefits package.

The successful candidate will have:

- Bachelor of Pharmacy/ PharmD
- License to practice in the Province of Alberta
- Expected to collaborate with physicians, nurses, and hospital staff
- Superior interpersonal skills
- Strong verbal and written communication skills in English (additional languages are an asset in our communities)
- Commitment to providing exceptional customer service
- Must have additional Prescribing Authority (APA)
- Must have injection certification
- Working knowledge of PropelRx is an asset
- Interest or experience in providing consultations and minor ailments prescribing

Please provide resume and cover letter (emailed or faxed) or in-person. Upon receiving an appropriate resume, applicants will be contacted for further follow up.

We look forward to hearing from you!
