

Pharmacy Manager, Legacy Pharmacy

530, 180 Legacy Main St, SE, Calgary

Job Summary

At Legacy Pharmacy, we are committed to serving our community and keeping them healthy and strong. We are seeking a dynamic individual with strong leadership qualities and a passion for delivering exceptional customer service. The Pharmacy Manager will work independently while managing the other pharmacists and pharmacy assistants/technicians. The successful candidate should have strong leadership skills, communication, dispensing and compounding skills, adherence to regulatory standards, and commitment to maintaining superior patient relations.

Qualifications:

- Bachelor of Science in Pharmacy (BSc. Pharm or Pharm. D.)
- Licensed and registered with the Alberta College of Pharmacists
- APA and injection certified
- Comprehensive knowledge of Kroll
- Passionate and proactive mindset, well-aware of cultural diversity

Responsibilities:

- Perform medical reviews and provide counselling services to patients
- Dispense all prescriptions accurately and timely
- Ensure timely and accurate submission of all claims
- Adhere to all company policies, professional standards, laws, and regulations.
- Demonstrate the best customer service and empathy towards customers
- Administer injections as well as immunization
- Ensure all pharmaceutical products are stored properly and safely
- Give follow-up calls to patients when time allows, assuring their care is our highest priority

We thank all applicants for their interest in the positions; however, only candidates selected for an interview will be contacted.
