

ARx Pharmacy & Homecare
6730 75 St NW, Edmonton AB
780-761-7575

Pharmacy Student - 4th year/recently graduated

ARx Pharmacy & Homecare is dedicated to supporting patients seeking treatment for substance use disorders and mental health concerns. We are looking for a 4th year pharmacy student or recent graduate that is passionate about helping patients recovering from substance use disorders, exhibits compassion and professionalism, and is interested in working with a highly diverse patient population.

Job description

To manage the overall operations of the Pharmacy, including providing consultation to both customers and health care providers, practice to full scope in providing professional services, dispensing medication, and assisting in the maintenance of the dispensary.

Duties and Responsibilities

- Acknowledge all customers approaching the Pharmacy, offer assistance promptly and in a courteous and professional manner
- Provide counselling on prescriptions, over the counter/behind the counter products and health related issues, including but not limited to indications, contra-indications, adverse effects, drug interactions and dosage
- Practice to full extent of expanded scope with Professional Services, within your capability
- Ensure accuracy and appropriateness of all prescriptions dispensed
- Communicate with other health care professionals within the circle of care to provide optimal patient care
- Promote health and wellness and educate customers and as appropriate, engage with customers both in and outside the store through community events, clinics etc.
- Provide timely and positive resolutions to customer needs and requests from other healthcare providers

Experience, Skills & Qualifications

- Independent thinking and decision making – makes decisions when dealing with issues or problems
- Strong verbal and written communication skills
- Commitment to providing exceptional patient care service
- Superior customer relations skills and a strong sense of professionalism
- Strong personal computing skills and knowledge of Pharmacy systems a definite asset
