

## **Semesterly Councillor Report: Recruitment Director (Gurpal Gill)**

Hey everyone, I am just going to provide a timeline of what I have been doing so far this year with my position as the Recruitment Director.

### **Late March/April**

- With my position, the responsibility advertising and coordinating payments for job postings started immediately after the election, a history of the job postings can be found on <https://myapsa.ca/student-services/job-postings/>, and the descriptive posts can be found on the APSA Members Corner Facebook Page
- In late March, Charlotte Wray from the Career Centre reached out to me with respect to organizing the Annual Pharmacy Career Fair
- In April I spent my time sitting down with Dallyce (from Student Services) and Charlotte in order to find a suitable date for the Career Fair

### **Summer**

- Over the summer I spent my time continuing on with the job postings
- I also reached out Dayna Chambers (Talent Specialist at Shoppers Drugmart) in order to coordinate lunch and learns on campus
  - Dayna later introduced me to Jen Hamilton, as she was moving on from the position
- In late August I was able to sit down with Aileen Jang and started planning for Independent Night, which we have coming up on Jan 30th, 2020

### **Fall**

- On October 9th, I organized a lunch and learn with the help of Jen Hamilton, which introduced to the students the Shoppers Drug Mart Associate Ownership Model
- On November 6th, I organized my second lunch and learn, this was an 'Interviewing 101' session that was held by Shoppers Drug Mart
- On November 7th, the Pharmacy Career Fair took place. I helped organize this event alongside Charlotte Wray
  - My responsibilities revolved around picking a location, providing a date and time, and advertising
- In early December I emailed and sat down with Amy Gratton from the Career Centre in order to start planning Career Night
- Over the Winter Break I sat down with Aileen Jang again to finalize the logistics of Independent Night
  - Here I helped Aileen create a sponsor sheet as well

### **What's to come**

- Jan 30th: Independent Night
- March 18th: Career Night (tentative)
- Potential Lunch and Learn(s) with Walmart and/or The Medicine Shoppe (TBA)
