

Mostafa Moharram Recruitment Director Semester Report

April – End of the summer

- Advertising and coordinating payment for job postings, relaying important information and opportunities to students through Facebook APSA Members Page and keeping the Job Board on <https://myapsa.ca/student-services/job-postings/> updated. *
- Coordinating with recruiters to find the best subscriptions for them and helping them advertise accordingly*
- Coordinated with Dallyce and Lisa at the Career Centre through email and virtual meetings to find an appropriate date and time for the Annual Pharmacy Career Fair

Fall Term

- Carried posting responsibilities as outlined above*
- Attended biweekly APSA general council meetings
- Reached out to and coordinated with Aileen Jang to plan Independent Night and discuss the potential format for the event; decided we could potentially hold the event in February instead of June like last year. Discussed logistics about how it could run fully online vs in person.
- Meetings with Lisa and Charlotte at the Career Centre to coordinate advertising for Career Fair
- Advertised Career Fair through Facebook and class emails to the student body and was responsible for helping students set up Simplicity accounts. Hosted Career Fair was virtually on November 6th using Simplicity alongside Lisa and Charlotte. The event had 120 students participate. The career center did not need as much help as last year due to them having a system in place to run virtual career fairs. My only job was advertising to students.
- Spoke with the career center to begin planning pharmacy exploration night.

What's Next:

- TBA: Host Independent Night alongside Aileen (this is highly dependent on Public Health orders)
- Host career exploration night sometime in the winter semester.
- Continue posting job opportunities
