

Hello APSA! Here is the Semesterly report for Fall 2022,

***Summer***

- Collaborated with GSK to work towards Lunch and Learns and future planning
- Planned for future SAF-Pharm events
- Worked alongside VP finance to finalize a budget for SAF-Pharm portfolio.

***September***

- Creation of SAF-Pharm committee
- Planned Lunch and Learn with GSK: “Advil + Acetaminophen”, delayed from Sep to Oct due to event booking and conflicts in original date
- Met with SAF-Pharm committee to plan future events and committee activities.
- Attended bi-weekly APSA meetings
- Got in touch SDM for planning of future Lunch and Learn
- Attended any required office hour sessions

***October***

- Continual attendance of meetings with SAF-Pharm committee and biweekly APSA meetings
- Planning and setup for SDM Lunch and Learn
- Presented GSK Lunch and Learn with Cody Dolan
- Worked alongside IT Director to add Lunch and Learn Section to APSA webpage
- Attended any required office hour sessions

***November***

- Continual attendance of meetings for the SAF-Pharm committee and biweekly APSA meetings
- Planning and meeting for Ross Tsuyuki Lunch and Learn
- Presented SDM Lunch and Learn with Fayaz Rajabali
- Planned possibility of Trade Show, consideration of re-allocating funds to different initiatives
- Attended any required office hour sessions

- Communicated with GSK/Haleon to provide opportunity for Fixed-Doses Webinar to students and faculty

***December***

- Continued contemplation for the SAF-Pharm trade show/reallocation
- Further planning of date of Ross Tsuyuki Lunch and Learn
- End of semester wrap-up

Respectfully submitted,
