

Shoppers Drug Mart 336 is looking for 2 full time pharmacists to join our team this summer!

Edson is a small town of 10,000 people and is located 2 hours northwest of Edmonton, halfway to Jasper, AB.

We are looking for two clinical pharmacists that have a desire to actively engage in patient counselling and clinical services to create meaningful patient relationships. We have a steady paced pharmacy and are very involved in the community. We strive for a fun, and enthusiastic team work environment.

The successful candidate will have the following:

- Bachelor of Science in Pharmacy
- Certified for Injection Administration and willing to be part of a Centre for Excellence program; expanding your injection training.
- Has or is pursuing Additional Prescribing Authority
- Good communication skills and excellent customer and staff relations
- Interested in disease management or specialized certifications
- Willing to participate in continued education to upgrade your knowledge
- Ability to work quickly, multi-task and work well under pressure
- A high level of professionalism, energy and enthusiasm
- Strong computer skills and quick with documentation

Opportunity highlights

- wage to be negotiated in the \$50's
- annual performance bonus
- 3% RRSP matching
- retention bonus for 1-2 year commitment
- continuing education incentives
- professional insurance and comprehensive benefit package
- store discount
- annual 3-4 day conference in Calgary (fully covered)
- other incentives to be negotiated\*\*\*

Schedule

- 28-40 hours/week (6-8 hour shifts)
- ideally on rotation for one weekend per month  
(Open Saturday and Sunday 10-6pm, M-F 9am-9pm)
- open to alternate scheduling such as week on/week off.
- clinical pharmacist overlap shift 3 days a week

If you are interested in an interview to discuss the position further please contact [asdm336@shoppersdrugmart.ca](mailto:asdm336@shoppersdrugmart.ca)

Look forward to meeting you!
