Winter 2025 Semesterly Report

Tasks:

- Posted announcements for events to social media as requested via google form and email from other councillors
- Responded to direct messages on the APSA instagram page
- As requested by the Research Councilor, featured student research projects on the instagram page for 1 week
- Posted photos of events that have taken place (ex. PharmDent)
- Added links for any ticket sales, forms, or contests in the LinkTree
- Created graphics at the request of councillors
