Full job description

Costco Pharmacy in Red Deer AB is hiring a Full Time Staff Pharmacist (5 days per week - 40 hours/week minimum) and Regular Part Time Staff Pharmacist (5 days per week - 25 hours/week minimum).

Wage and benefits are competitive and based on previous pharmacist experience.

Daily tasks and responsibilities:

- Checks prescriptions and over the counter medications for therapeutic appropriateness including but not limited to drug interactions, allergies, contraindications, dose, frequency, and dosage form
- Verifies prescriptions and refills with physicians by phone as needed and takes verbal prescriptions
- Selects therapeutic substitutions when appropriate
- Oversees the collection of patient medical history and maintenance of the confidential computer record
- Collaborates with other health care professionals as necessary to identify and resolve drug therapy problems
- Educates patients on proper medication usage
- Answers patient questions about over-the-counter medication and product location
- Preserves patient confidentiality
- Works collaboratively with Registered Technician to ensure appropriate allocation of work tasks
- Recruits patients for and conducts health and wellness clinics and documents interventions
- Adapts, extends, and modifies prescriptions
- Administers medications to patients by injection
- Conducts full medication reviews and does patient follow-up
- Participates in a culture of patient safety by focusing on practices that reduce and eliminate prescription incidents as well as reporting and properly managing those incidents that do occur
- Maintains professional competence through participation in a variety of continuing education initiatives and maintains required certifications in good standing
- Follows Costco Pharmacy's policies, systems and procedure standards
- Follows safety and security procedures
- Acts as Pharmacist-In-Charge in the absence of the pharmacy manager ensuring smooth operation in the dispensary and supervises pharmacy interns and students.

Qualifications:

- Completion of a Pharmacy degree from an accredited institution is required
- Must be a licensed pharmacist in good standing in AB
- Applicants with pharmacy experience will be given preference over other candidates
- Strong communication skills required
- Knowledge of Kroll software (or other computer/data entry skills) is an asset

Job Type: Full-time

Schedule:

- Day shift
- Monday to Friday
- Night shift
- Weekends as needed

Work Location: In person
