What's your Role – Pharmacy Manager

As a Pharmacy Manager at Rexall, you'll ensure excellence in patient care, customer service, and operational efficiency. Your responsibilities include:

- **Community Leadership:** Actively promote Rexall's positive image by participating in community business groups and health and wellness initiatives
- **Patient Care:** Provide professional advice on prescriptions, healthy living products, services, and OTC products, fostering excellent customer service and loyalty
- **Compliance:** Ensure adherence to company procedures, policies, professional standards, and applicable laws
- **Leadership:** Demonstrate exceptional Leadership - bringing energy, passion, and strong communication skills
- **Financial Growth:** Drive the store's financial growth and maintain robust financial health
- **Staff Management:** Recruit, train, motivate, and evaluate all pharmacy staff to ensure optimal staffing and efficient operations

Qualifications to succeed

- Licensed Pharmacist in Alberta
- Strong clinical knowledge and communication skills
- Ability to work independently and within a fast-paced team
- Commitment to professional standards and regulatory compliance
