

# Winter Semester Report

Please find below some highlights of my completed tasks and responsibilities for this semester:

## **January**

- Attended pertinent weekly General and Executive Council meetings
- Engaged in final planning steps for RxFactor
- Initiated ongoing conversations with RxA regarding funding for winter events [please refer to 2022 Budget Sheet for details]
- Began further planning on the rural placement program I am soon launching

## **February**

- Deliberated on APSA Awards
- Attended pertinent weekly General and Executive Council meetings
- Began early sponsorship conversations with Neighbourly Pharmacy
- Helped find funding and organize events for PAM
- Continued ongoing conversations with RxA regarding funding for winter events [please refer to 2022 Budget Sheet for details], as well as organizing invoicing and ensuring funds are allocated properly
- Continued planning on the rural placement program I am soon launching
- Met with potential candidates for VP Fundraising next year

## **March**

- Continued ongoing conversations with RxA regarding funding for winter events [please refer to 2022 Budget Sheet for details], as well as organizing invoicing and ensuring funds are allocated properly
- Started helping with planning for Blue and Gold Gala 2022
- Attended pertinent weekly General and Executive Council meetings
  - Begin my transition for the next VP Fundraising

Regards,

John Choi  
VP Fundraising
