Winter 2024 Semesterly Report

January

- Created a shared drive for our class to add photos that can potentially be added to the yearbook
- Started the yearbook on Canva
- Polled our class to determine approximately how many people would be interested in yearbooks (~60 responded)
- Organized group meetings and communicated with the publications director to determine sponsors for our yearbook

February

- Compiled pharmacy event photos and potential content ideas onto Canva

March

- Communicated with the Lifetouch team to set up appropriate dates for graduation pictures to be completed
- Communicated with grad committee and photographers to gain insight into how our team and their teams can work together to facilitate yearbook content
- Organized and formatted yearbook on Canva
